Application Criteria

Floor space is approx. 8' x 4'. One skirted (flame resistant) 8' x 2' table and two chairs will be provided. No table space extension allowed.

Confirmation of registration acceptance will be dependant upon available space, type, uniqueness of products and compliance with application criteria. In keeping with the spirit and character of this traditional Christmas market, vendors of high-quality, hand-made Christmas related gift ideas of Canadian or Central European origin will be given clear preference.

In line of fire regulations the number of tables has been reduced: thus, vendors will be restricted to **one** table.

Fire Regulations (excerpts):

1. Ensure the width of the exit corridors, to Garry and Fort Streets, is not compromised by vendor tables. Maintain 8 foot aisle width.
2. Table cloth and other decorative material shall be treated with a fire retardant that conforms to CAN/ULC S109 Tests for Flame Resistant Fabrics and Films. Excessive use of plastic or paper is not permitted.
3. In case of emergency the fire alarm will ring. All customers and vendors shall vacate the area unless an announcement from building staff indicates otherwise. In case of evacuation Christkindlmarkt staff will monitor and supervise the vendors' displays in the mall area.

Please submit the registration form and cheque made payable to the German-Canadian Congress (MB) Inc. no later than *October 15th, 2010*
